

To Whom It May Concern:

I highly recommend Ohsik Park as a candidate for employment. Ohsik was employed by EZ Loan Look Up which dissolved into eTechnologies, Inc. as a Graphic Web Designer from 2010-2012. Ohsik was responsible for web design layouts, css/html of the sites, editing and special effects of videos, print designs and more.

Ohsik is extremely organized, reliable and computer literate. He can work independently and is able to follow through to ensure that the job gets done. He is flexible and willing to work on any project that is assigned to him. He produces quality work in a timely manner.

Ohsik would be a tremendous asset for your company and has my highest recommendation. If you have any further questions with regard to his background or qualifications, please do not hesitate to call me.

Sincerely,

Randi M. Ertz
